

“ A subject rarely discussed—the private fears and feelings of fathers with daughters. This book could be the best training manual ever for fathers with daughters!”

AN EYE OPENER FOR WOMEN OF ALL AGES

Did you ever wonder what men really *feel* about their relationships with their daughters?

For the first time, peer into a father's world of hidden feelings, words unsaid, and a complexity and joy that's too often misunderstood.

This collection from 101 personal interviews will open your eyes to a subject rarely discussed—the private fears and feelings of fathers who have daughters.

“Surprisingly candid...terrifically rewarding.”

For women, here's an emotional glimpse into the complex relationship between fathers and their daughters—from a father's perspective. Being the father of a daughter myself, I was really moved by the joys and heartaches many of these dads were willing to share.”
